CLUB UNIFORM

Feb 2024

CLUB UNIFORM

At the 2023 AGM, the meeting voted to change the club playing 'uniform' and agreed that from April 2024, it would comprise the current white top (with club motif) and BLACK bottoms (shorts, trousers, ¾'s or skirts). This will be the case for all representative matches. Please note that members can still wear their grey or white trousers, shorts etc. for roll-ups and internal competitions. Further clarification will be issued as required.

Manufacturers:

Black shorts, trousers, ¾'s and skirts, should be 'genuine bowls wear' and sourced from recognised manufacturers such as: Aceit, Henselite Sports, Drakes Pride and Taylor Sports.

Local suppliers:

Bowlswear Direct: Wey Valley Indoor Bowls Club, Lido Rd, Guildford GU1 1HB. https://bowlsdirect.com/. You can also order on-line or visit their shop.

Bowlswear Direct have 'Road-shows' at various indoor bowling clubs on a regular basis. https://bowlsdirect.com/road-shows/

'Why can't I get my own kit from M&S, NEXT or Harrods etc.'? This is understandable, but one of the issues is that these garments can fade in colour over time (which would bring us back to the problem we have with various shades of grey). In addition, styles do change from year to year.

We do understand that the proposal for a new uniform will cost money and to help alleviate some of that cost the club are willing to make a £20 contribution to those costs (not per garment) as long as it is genuine bowls attire. Keep your receipts and present them to the club treasurer (Brian Duck) and he will reimburse you the £20.
